School Led WASH improvement plan SLWIP-initiative

- The SLWIP designed to promote sense of ownership among school management, teachers, students and SMS
- Enhanced knowledge through trainings to sensitize the involved groups to the issues associated with WinS
- WinS result framework developed in coordination of MOE

Strengthening PTA- SMS through SLWIP

SMS is official forum under the Ministry of Education

Strengthening SMS is key activity in WinS result framework

TOR of SMS revised the following activities added in TOR of SMS

- 1) *Support to WinS and MHM*
- 2) *Mechanism of **joint meeting of SMS with parents and DOEs***
- 3) *Coordination and communication on WASH issues*
- 4) *Talk about needs and solutions*
- 5) *Raise voice to reduce the distance between parents and school*
- 6) *SMS mobilize fund for maintenance of WASH facilities*
- 7) *Care the cash box*

8). *SMS with support of teacher increase demand for improved sanit and it is practice*

a) in school

b) And in community

9). *SMS with support of school teachers invite mother to the parent and teacher meeting*

These steps are important in sustaining WinS

Will be institutionalized

SMS function will be added in the WinS National strategy

thank you –
any question??
