# Session 4.a Breakout session (1 hour)

## Good Practices in **Institutional Capacity Development for WinS**

### Process:

- Presentations first
- While presentations are going on, participants can encode their questions via sli.do
- Q&A follows (25 mins)
  - Select some questions from slido
  - If we have time we can also take questions from the audience directly.
- Wrap up

# Resource Persons

- **Dr Soutsakhone Chanthaphone**, Director of the Centre for Environmental Health and Water Supply, Ministry of Health, Lao PDR
- **Deki Tshering**, Senior Programme Officer, WASH School Health & Nutrition Division, Department of School Education, Ministry of Education, Bhutan

# Panelists

- **Dr. Ma. Corazon Dumlao**, Chief, School Health Division, Bureau of Learner Support Services, Department of Education
- **Ms Joan Atienza**, MOOC Program Manager, SEAMEO INNOTECH

# WinS Enabling Environment on Capacity Development

- Does the Ministry of Education have a plan or strategy for Human Capacity Development for WinS
- Is skills-based hygiene education/promotion included in the national curriculum and part of daily school life?
- Is WinS included as part of education management training?
