WASH IN SCHOOLS

Children have a **basic right** to have access to safe drinking water, basic sanitation and hygiene or WASH in schools (WinS).

280-1

Republic of the Philippines
Department of Education

DepEd ORDER
No. **10**, s. 2016

10 FEB 2016

**POLICY AND GUIDELINES FOR THE COMPREHENSIVE WATER, SANITATION
AND HYGIENE IN SCHOOLS (WINS) PROGRAM**

To: Undersecretaries
Assistant Secretaries
Bureau and Service Directors
Regional Directors
Schools Division Superintendents
Public and Private Elementary and Secondary Schools Heads
All Others Concerned

- For the information and guidance of all concerned, the Department of Education (DepEd) issues the enclosed **Policy and Guidelines for the Comprehensive Water, Sanitation, and Hygiene in Schools (WinS) Program** for the promotion of correct hygiene and sanitation practices among school children and a clean environment in and around schools to keep learners safe and healthy.
- This Policy aims to:
 - ensure correct knowledge and understanding among learners of effective hygiene and sanitation projects;
 - improve equitable access to safe water, adequate toilets, and hand washing facilities;
 - improve hygiene and sanitation practices among the learners to enable them to develop life-long positive hygiene and sanitation behaviors;
 - ensure that schools are kept clean and safe through school-based solid waste management, proper drainage, the elimination of breeding grounds for mosquitoes to prevent vector-borne diseases, and food sanitation; and
 - engage public and private partners for program implementation and sustainability.
- All Orders, Memoranda, and other issuances inconsistent with this policy are deemed repealed, rescinded, or amended accordingly upon its effectivity.
- This Order shall take effect 15 days after its publication in the Official Gazette or a newspaper of general circulation.
- Immediate dissemination of and strict compliance with this Order is directed.

BR. ARMIN A. LUINTO FSC
Secretary

THE WINS MOOCs

LEADING WINS IN SCHOOLS

- designed for school heads and teachers to effectively implement WinS in their respective schools.

ACCELERATING WINS IN DIVISIONS

- developed for subnational officials to support and manage WinS program implementation in schools

STRENGTHENING WINS IMPLEMENTATION THROUGH MOOC

- Between SY 2017/18 and SY 2021/22, schools that participated in the MOOC demonstrated a much higher improvement in the percent of schools reaching at least one star level compared to those who did not participate in the MOOC.
- Schools with MOOC participation had a 1.44 times higher chance of reaching at least one-star rating compared to schools without MOOC participation (aOR: 1.44, 95% CI: 1.30 – 1.58)

MOOC ON INFECTION AND PREVENTION CONTROL

- designed for school personnel to help them understand IPC, its importance in a school setting, and how to implement IPC measures

WHAT MAKES OUR MOOCs SUCCESSFUL?

Recognizing the:

- Support of the BLSS-SHD
- Support and efforts of the Regional Course Management teams.
- Engagement and involvement of our School Heads, Teachers and Divisions and all participants
- Support of partners

DEPED WINS REPORT: MORE SCHOOLS MAKE GREAT PROGRESS IN WATER, SANITATION, AND HYGIENE CONDITIONS

The number of schools meeting the five WASH indicators and reaching the national standards has tripled from 9% to 26.5% of nearly 40,000 participating schools.

Region VI retained its position as the top region with the highest percentage of schools rising to the national WinS standards with one in every ten schools having a three-star rating.

IN THE NEWS

Winning WinS through the WinS MOOCs!

Thank you.
